THE KEYS ACADEMY TRUST

LETTINGS POLICY

Aims

It is agreed by the Trust that the school premises or part thereof may be hired out in order to maximise the use of the school for security and economic reasons. Use of the school premises during these hours by local/community groups will also increase goodwill and promote good links with the local community and social cohesion.

We aim to:

- Make sure the school's premises and facilities can be used, where appropriate, to support community or commercial organisations
- Allow the hiring of the premises without using the school's delegated budget to subsidise this
- Charge for the use of the premises to cover the costs of hire and, where appropriate, raise additional funds for the school
- Not let any hiring out of the premises interfere with the school's primary purpose of providing education to its pupils

1 Areas available to hire

School Hall

Classrooms

2 Categories of Lettings

1. Commercial
2. Trust Lettings: Youth and Community
3. Activities of benefit to the school
4. School association or individuals at the school's discretion

2.1 Commercial Lettings

Commercial lettings should be profit-making ventures with the school making an amount of income over and above any expenditure/costs involved in hiring out part(s) or all of the school.

2.2 Trust Lettings

These are lettings where it has been defined by the Trust that charges will be levied at the actual cost involved to hire the school or part of it for that particular period. Such lettings include:

Youth and Community / Further Education

Trust/LA required use, e.g. elections

2.3 School Association Lettings

The Local Governing Body reserves the right to waive charges in certain circumstances for the School Association use. Whilst every effort will be made to accommodate these groups this will not be to the detriment of regular hirers or previously arranged bookings.

2.4 Other Groups or Individuals

These lettings may fall into any of the above categories depending on the nature of the event. For non-profit making and charitable functions the actual cost rate will be used. One off rates will be calculated by the Operations Manager.

3. Roles and Responsibilities

3.1 The Local Governing Body, with advice from the Headteacher/Head of School, will balance the desire to generate income against the desire to support “worthy” groups within the community, agree the criteria to be used when deciding which groups are to be allowed to use the premises and consider requests for bookings against those criteria.

- Take a positive approach to enhancing learning opportunities for the whole school community through promoting community use of the school
- Ensure that use by external organisations does not degrade the standards of the facilities to the extent that they are no longer suitable for use by pupils
- Consider issues of political balance
- Consider the implications of all requests received for the health, safety and security of pupils and staff
- Consider the implications for workload of all staff of any decisions made.

3.2 The Headteacher/Head of School will:

- Establish a central booking system
- Apply the criteria agreed by the governing body and consult with them on requests for bookings which do not meet these criteria, or where there is a potential conflict of interest
- Make arrangements for monitoring and evaluation
- Report back to the Local Governing Body at each LGB through the Finance and Premises Committee
- Decide on whether to accept or decline all bookings
- Give priority to all school and PTA events
- Arrange a site tour with a map to show safety in the grounds
- Make the Hirer aware of the relevant school policies including Safeguarding

4. Premises Hire Charges

The charge for lettings shall cover the cost of caretaking/security, heat and light, wear and tear, and administration. An extra charge should be levied when there is likely to be extra cleaning needed, if any additional equipment is required, or if the letting is likely to run over the agreed time. A deposit should be paid in advance for one off bookings. The type of user and proposed function will determine the level of charges (see appendix 4 for a guide to current charges).

VAT is payable based on VAT regulations.

Charges for school lettings will be reviewed annually to take effect 1 September.

All formal hiring of the school's premises, including those for which no charge is made, shall be properly documented. All hirers, must complete a booking form (see appendix 1) and sign their agreement to the conditions of hire (see appendix 2).

A confirmation letter template of a hirers booking is set out in appendix 3.

The Local Governing Body reserves the right to waive any charges at its discretion, but in doing so not relinquish the right to enforce the terms of any lettings agreement.

5. Insurance

All users must carry sufficient public liability insurance (currently £5m). Hirers must provide evidence of insurance prior to the event or alternatively hirers will be charged an additional 10.5% of the hire charge (minimum charge of £2.65), for Third Party Insurance to be covered within the School's public liability cover. All damage must be charged to the hirer.

Hirers must have policies and procedures in place to ensure the safety of themselves and others and must carry out appropriate risk assessments, which must be supplied to the school on request.

The School reserves the right to request a hirer to carry out a more detailed risk assessment activity at the hirer's cost and/or to comply with any reasonable risk assessment activity requested by the School in relation to any letting.

Every letting shall be organised and supervised by a responsible adult.

6. School Representative

The School will nominate a person/approved security service provider as the school's representative during lettings. Hirers should liaise with the Operations Manager when requesting the letting concerning specific requirements such as setting out chairs, equipment etc which may be charged for in addition to the premises hire charge in appendix 4.

The school representative has authority to take any necessary action to protect the school's interests during sessions.

7. Smoking

The school operates a non-smoking policy. Anyone attending will not be allowed to smoke or inhale e-cigarettes within the confines of the school site, which includes all playground and parking areas within the school boundary.

8. Movement of Furniture and Equipment

Hirers are responsible for ensuring that all furniture and equipment is returned to its original place and that all rubbish is placed in the bins provided. Any need to move furniture or equipment must be agreed prior to the letting.

9. Termination of Lettings

The school reserves the right to terminate any letting or cancel a future booking if the conduct of those attending is not of an acceptable standard or inappropriate use is made of the facilities.

All initial enquiries regarding the use of the school will be dealt with by the Operations Manager in consultation with the Headteacher/Head of School and others as appropriate. If in doubt as to whether the school should be hired out, agreement must come from the Local Governing Body representative which in this case would be the Finance and Premises Committee Chair. The committee should be consulted about proposed lettings to religious or political groups. The Finance and Premises Committee has the right to refuse to hire out the school premises.

Regular bookings will take priority over any one-off hire requests.

Lettings should not exclude the school's own use of the premises.

No letting should be to the detriment of the curriculum.

10. Cancellations

We reserve the right to cancel any agreed hiring with a minimum of 3 days' notice. A full refund will be issued if we do cancel a hire. The school shall not be liable for any indirect or consequential losses, including (without limitation) any loss of profits, loss of business or the loss of any revenue arising out of the cancellation of any hire.

The hirer of the premises can cancel any hire with a minimum of 7 days' notice. If less notice than this is given, the licensee shall not be entitled to a refund.

11. Safeguarding and Child Protection

The school is dedicated to ensuring the safeguarding of its pupils at all times. It is a requirement of hire that hirers abide by the schools' requirements in respect of safeguarding. Any failure from the hirer in this respect will result in the hire being terminated.

It is the responsibility of the hirers to ensure that safeguarding measures are in place while hiring out the space.

If there is a chance that those hiring the premises will come into contact with pupils, for example if the hire occurs during school hours, or when pupils may be present in the school (during after school clubs or extra-curricular activities), we will ask for confirmation that the hirers have had the appropriate level of DBS check.

The hirer will be required to have appropriate safeguarding policies in place, including safeguarding and child protection, and shall provide copies of these policies on request to the school.

The hirer confirms that, should any safeguarding concerns present themselves during the hire of the school premises, they shall contact the schools Designated Safeguarding Lead or one of the Deputy Safeguarding Leads as soon as reasonably practicable.

12. Policy Awareness

This policy should be read in conjunction with the hire agreement and booking form, as well as our policies on Equal Opportunities, Safeguarding, Health & Safety and the schools Code of Conduct.
